PROFILE

As a dedicated and results oriented Fourth year B.Tech student majoring in Computer Science and Engineering I bring a solid foundation in cutting-edge technologies and a passion for solving complex problems. With a proven academic record and hands-on experience projects, I am eager to contribute my skills and knowledge to a dynamic and forward-thinking organization.

INTERNSHIPS & TRAINING

CODSOFT

During a 4-week internship at CODSOFT in web development, I honed my skills in front-end design, gaining valuable knowledge and experience. My focus was on creating visually appealing and user-friendly interfaces, utilizing HTML, CSS, and JavaScript.

TRAINING IN DUCAT

Completed 3 months of internship as a Front End Developer from Ducat Pitampura, Delhi and built Creative Front End Projects.

Completed 2 months of internship in Ducat Pitampura using Python where I gained a good knowledge of Python and also worked on some projects using Python.

Completed 3 months Training program in Python by EBOVTR

Completed 6 months Training program in WEBSITE APPLICATIONS by EBOVTR

Completed 3 months Training program in DATA STRUCTURES & ALOGORITHMS
